Sir,

Memo.

It seems desirable to make the following modifications in the conditions of the Todzy Contract for the Hapsan District, for the three years from 1st April 1889 to 31st March 1890 as advertized in the Imyore Gazette Extraordinary Dated 4th Instant.

Condition (1). The rate should be 12 per cent. A lower rate than the market rate is no penalty and does not make a debtor to Government feel that it will be better for him to be punctual than to be in arrear. With a rate of interest lower than the market rate it is profitable to be in arrear. Forfeiture of lease &c are high penalties not likely to be resorted to, only for irregularity in payment and therefore do

do not operate as a sufficient deterrent. Indeed it is time that this higher rate of interest were adopted for all items of Government Revenue.

Condition II (a). - Applications should be made to the Deputy Commissioner for licenses before 1st April in each year. The Deputy Commissioner will issue the Licenses promptly. For the Shops in existence the Contractors may issue written permits in anticipation of the Licenses being issued. But these shall be invalid after the 30th April.

Clauses to the above effect are necessary first for the purpose of embodying in the agreement the purport of standing orders which exist to the above effect, and second to prevent the abuse of them that has often been made.

(b). A rider to Condition II may be added as follows:-

"Each Shop shall be liable to the usual Profession Tax of Rs 2 per annum. The Contractor shall be charged with this Tax when the license are issued and shall be competent to reimburse himself by levying it from the license in advance or in arrear as he may find expedient. The Contractor shall be liable to pay the Profession Tax on or before the end of February in each year"

The reason for this is obvious. A provision to this effect will save a great deal of the fraud that is practised and difficulty which is experienced in the recovery of the small amount of Profession.

Condition VI

Add "no toddy shall be sold except in enclosures. Called shops in authorized localities."

This is necessary to put an end to a nuisance which is often found at Market places and at Fairs and festivals

Condition VIII.

Instead of the last 17 words the following

following may be substituted

"And an abstract thereof shall be furnished to the Deputy Commissioner or Sundar every month quarter in such form as the Deputy Commissioner may prescribe."

At present no detailed statistics are available and a tabulation of the Contractors' accounts when required is out of the question. A simple periodical return is easily furnished to, and tabulated in, the District Office.

Condition XI. Omit the words "and used". Add at the end "The right to collect and appropriate the leaves and branches so cut on mature trees and to cut leaves and branches from immature trees so as not to injure them will be separately farmed by Government for every village or groups of villages and does not vest in the Contractor."

The

The reasons for these changes are obvious.-

I don't know of Narrainswamy since has been given ½ share —

Dod Papanna says he has no share in the business with R Moodappa & Kanaviah.

Bajjanna is apparently Papanna's surname & not a man of substance. Chick Papanna has quite enough with the Arrack business, Puttanna is an inexperienced youth I am afraid. Pleas send for him & get a statement as to the interest of the different so called members, & ask whether he wishes to have the Contract —

The other tender is from

Order

The tender of Dodda Mallanna & Co is for Rs 2, 65,000, that is Rs 3,000 less than the highest tender namely that of Chicka Papanna, Puttanna & Bajjanna. The last named individual is not known to me as a man of substance, Puttanna is unpleasant & Chicka Papanna has the Arrack Contract for the whole Province which with his Capital & time - under such circumstances I do not consider it advisable to give this Contract to him & his partners above named - In a telegram rec'd. last Evening it is stated that Chicka Papanna & Narasimswami have left partners in this business. This fact does not incline me to think that it is advisable to accept Chicka Papanna's tender -

+ on the other hand Dodda Mallanna & Co tender comes next & is less than Chicka Papanna's by Rs 3,000 only. Dodda Mallanna & Co. have the Old Contracts & have large outstandings, a fact which makes it more easy for them to work the business with a small margin & bring it at the high figure of the Contract. Under such circumstances I direct that the Contract be given to Dodda Mallanna & Co for Rs 2,68,000 per annum - Before the 15th Inst. they must have all deeds & bonds &c, depositing the Amt in Mysore Treasury subject to decision of the Government & which appear to me to be satisfactory

Sir,

I have the honor to report that agreeably to the notification published in the Mysore Gazette of the 8th Ultimo, ~~the~~ tenders for the exclusive privilege of vending toddy in the Mysore District during the three years, from 1st April 1887 to 31st March 1890, were opened today by Mr. Madiah in the presence of the applicants, as I have been ill and unable to do so myself. Mr. Ananda Row, Deputy Commissioner Hassan District was present.

2. There were in all three tenders the names of the applicants and the amounts offered by them are given below:-

1 C. Papanna & Co — Rs 268,000
2. R. Mooddappa & Co — 265,000
3. V. Arnachela Mood & Co — 245,500

3. The first mentioned tender is the highest, but as Mooddappa, one of the partners of the present firm, agrees to take up the contract for any large amount which may be offered by others, I have selected both these tenders for submission to you for the consideration of the Dewan.

4. The amount offered by Messrs Arnachela Mooli & Co being the least their tender has been rejected, but the deposit amount will be kept in the Treasury until the decision of the Dewan is made known.

5. Messrs C. Papanna & Co and R. Mooddappa & Co have made the prescribed deposit of 1/12" of the annual contract amount offered. Their tenders are herewith submitted.

At the same time we respectfully beg to take this opportunity of bringing to your notice that we are Toddy Contractors of considerable experience, having been engaged in Govt Contracts of this kind for 17 years and that we were the only Contractors in the Mysore Province who carried out their contracts during the time of late famine and it is scarcely necessary to say that we have a very large sum of outstandings to be realized should we meet with good fortune of getting this present Contract.

Further we beg to add that should any party make a higher tender than ours we may at least have the same opportunity granted us to enable us to recover

2. In a Telegram received last evening, it is stated that Messrs Chik Papanna and Narainsami Mudr. would be partners in this Contract. This fact does not incline the Dewan to think it advisable to accept Chik Papanna's Tender.
